

## Press Release

### ***Wine Country Weed Trips* is a BIG HIT in Sonoma County's new "Cannabis Tourism"**

Santa Rosa, CA  
June 21, 2018

***Wine Country Weed Trips*** leader in private chauffeured tour service offers an exclusive and legal cannabis experience, adding more fun for visitors to northern California Wine Country.

For decades tourists have flocked to the Sonoma-Napa "Wine Country" to savor some of the finest wines and restaurants in the world. Now there is an additional attraction drawing tourism to Sonoma-Napa with its new "**Cannabis Tourism**".

Providing exclusive insider knowledge ***Wine Country Weed Trips*** makes it easy and safe to shop legally for the first time by providing unique door-to-door escorted tours to cannabis dispensaries and smoke shops. Also included are visits to wineries, tasting rooms, craft brew-pubs, "420 friendly" restaurants. Clients will gain a unique experience not currently available in New York, Texas, Oklahoma, Utah, Louisiana or other parts of the world.

Today, adults over 21 years of age visiting California are able to purchase recreational cannabis legally. Medical marijuana has been legal in California for more than 22 years, but this new "**Cannabis Tourism**" business has just emerged in the Sonoma Wine Country. For many, a trip to the Sonoma Wine Country will now include a visit to a local cannabis dispensary something that they could not legally do at home.

***Wine Country Weed Trips*** provides a private 3-hour tour in a luxury chauffeur driven vehicle for small groups to experience specially selected local cannabis dispensaries, award winning wineries, and craft beer pubs in enchanting northern California, Sonoma Wine Country. Special focus on western Sonoma County, Rohnert Park (Graton Resort and Casino), Santa Rosa, Healdsburg, Sebastopol, Guerneville and surrounding areas.

Chauffeured services also include concerts, hotels, bed & breakfasts, short-term rentals.
